Phone (day) \_\_\_\_\_ (evenings) \_\_\_\_\_

Witness: \_\_\_\_\_

## Release, Waiver and Indemnification

The undersigned participant and his or her parent or legal guardian, if the participant is under the age of 18 years, does (do) hereby execute this release, waiver and indemnification for himself (herself/themselves), and (his/their) heirs, successors, representatives and assigns, and hereby agree(s) and represent(s) as follows:

To release ATVTrainingOntario, Cartronics Auto Electric and the Canada Safety Council, it's members, employees, Chief Instructors, certified instructors, assistant instructors, premises owners and those governmental agencies affiliated with this ATV RiderCourse from any and all liability, loss, damage, costs, claims and/or causes of action, including but not limited to all bodily injuries and property damage arising out of participation in the course referred to above, it being specifically understood that said course includes the operation and use by the undersigned participant and others of ATVs. The undersigned further agrees to indemnify ATVTrainingOntario, Cartronics Auto Electric and the Canada Safety Council, it's members, employees, chief instructors, certified instructors, assistant instructors, premises owners and/or those governmental agencies affiliated with this project, and hold them harmless for any liability, loss, damage, cost, claim, judgement or settlement which may be brought or entered against them as a result of the undersigned's participation in said course. This indemnification shall include attorney's fees incurred in the defending against any claim or judgement and incurred in negotiating any settlement. It is understood and agreed that the undersigned shall have the opportunity to consent to any such settlement, provided, however, that such consent shall not be unreasonably withheld.

The information contained in this course is offered for the benefit of those who have an interest in and/of riding All-Terrain Vehicles. The information has been compiled from publications, interviews and observations of individuals and organizations familiar with the use of ATVs. Because there are many differences in product design, riding terrain and riding styles, there may be organizations and individuals who hold differing opinions. Although the Canada Safety Council will continue to research, field test and publish responsible viewpoints on this subject, it must disclaim specific or general liability of the views expressed in the course and related materials.
